

Welbeck Archers Worksop College Access

Address of Venue: **Worksop College**

Cuthberts Ave

Worksop S80 3AP

The site is accessed from the B6034, just to the south of Worksop.

There is a long drive from the B6034 on to the college grounds. Keep driving past the golf course and the swimming pool. The shooting venue is behind the swimming pool, as shown in this image below:

At the end of the Cuthbert's Avenue, you will find the gates to the college. Turn right before the gates to get to the main car park. Do not drive through the gates, as this is a one-way system (you will leave via these gates).
